

ACCOUNTING AND FINANCIAL MANAGEMENT, MINOR

Department website (<https://engineering.jhu.edu/cle/academics/undergraduate-studies/accounting-and-financial-management-minor/>)

The Accounting & Financial Management program offers Johns Hopkins Arts & Sciences, Engineering, and Peabody students a focused, quantitative minor that will prepare them more effectively for careers in small companies, major corporations, and consultancies as well as acceptance into graduate programs in accountancy and finance.

The objective of the Minor in Accounting & Financial Management is to enable students in all disciplines to complement their major fields of study with academic training that will help them prepare for and compete within this expanding marketplace. The minor is not only relevant for students who plan to seek employment but critical for those who plan to attend graduate programs in accounting or finance immediately after graduation. The Accounting and Financial Management Minor will help the CLE's graduates prepare for career opportunities in several fields that have high salaries and are predicted to grow substantially.

Facilities

The CLE Full-time Faculty and staff offices are located on the first and third floors of Wyman Park Building.

The information below describes the academic requirements for students entering JHU as degree-seeking students in Fall 2024. Students who entered JHU as degree-seeking students prior to Fall 2024 should view the appropriate archived catalogue (<https://e-catalogue.jhu.edu/archive/>).

The minor in A&F requires 21 credits. A grade of C- or higher is required. A maximum of one Satisfactory/Unsatisfactory (S/U) grade may be applied to the Core Courses, Upper-Level Electives, or Capstone Course requirements. Details of these requirements are as follows:
